

4945247706673 Lotion sheet

How to use:

(1) Pour face lotion into the cap or something else and soak one sheet with it.

(2) After the sheet swells enough with lotion, spread it from the eyes to other parts of your whole face.

(3) Stay still to pack the area for five to ten minutes, and then remove the sheet.

Precautions for use:

- Do not use this product if you have any skin problems or the product disagrees with your skin.

- Store away from heat and moisture, and out of the reach of infants and children.

- Do not flush this product down the toilet or the drain.

Material: 100% pulp
